4. Do you consider that this part of the Exeter Plan is legally compliant?

Yes No

4 (a). If yes, and you wish to support the legal compliance of this part of the Exeter Plan, please use this box to set out your comments.
(Continue on a separate sheet if necessary)

4 (b). If no, please give details of why you consider this part of the Exeter Plan is not legally compliant. Please be as precise as possible.
(Continue on a separate sheet if necessary)

Poor consultation. No indication of possible "modest enabling development" has ever been suggested at any meetings I have attended in the village. It was always understood that this entire piece of land would be for allotments and it was assumed that the council would be enabling this. "Modest enabling development" is not defined in the document – this ambiguous statement cannot be legally compliant.

4 (c). Please set out the modification(s) you consider necessary to make this part of the Exeter Plan legally compliant, in respect of any legal compliance matters you have identified at 4(b) above. You will need to say why each modification will make this part of the Exeter Plan legally compliant. It will be helpful if you are able to put forward your suggested revised wording for the relevant policy or paragraph. Please be as precise as possible.
(Continue on a separate sheet if necessary)

More consultations with current residents and groups on how to achieve the intended use of the land for allotments by looking at alternative funding schemes that would be achievable without further development in this congested part of the village.

5. Do you consider that this part of the Exeter Plan is Sound?

Any further development of the land around Alphington, especially Shillingford Road and Chudleigh Road, is unacceptable.

5 (c). Please set out the modification(s) you consider necessary to make this part of the Exeter Plan sound, in respect of any soundness matters you have identified at 5(b) above.
You will need to say why each modification will make this part of the Exeter Plan sound. It will be helpful if you are able to put forward your suggested revised wording for the relevant policy or paragraph. Please be as precise as possible.

The provision of further allotments in Alphington is clearly demonstrated by the fact that 83 of the current 101 plots are used by Alphington residents and with the massive residential development in this area, there is a demonstrated need for additional allotment space. The Council has a responsibility to facilitate and encourage a sustainable lifestyle for all the residents of the city.

6. Do you consider that this part of the Exeter Plan complies with the Duty to Co-operate?

6 (b). If no, please give details of why you consider this part of the Exeter Plan fails to comply with the duty to co-operate. Please be as precise as possible.
(Continue on a separate sheet if necessary)

No meaningful co-operation with residents or representatives of the Alphington Village Forum. My understanding is that the AVF has put forward a number of suggestions with respect to various matters regarding the proposed expansion of Alphington but to date I am unaware of any of their suggestions having been accepted.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

9. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)
