It is consistent with national planning policy. We support the inclusion of a new section "The local planning context" and specifically paragraph 1.14 which recognises the need for collaborative planning efforts between Exeter and other District Councils...for creating a cohesive development strategy for the wider area. While this is consistent with paragraphs 24 to 26 in the section "maintaining effective cooperation" in the previous version of the NPPF (December 2023) against which it is intended the Exeter Plan will be examined, it is also consistent with the Government's objective to promote a more strategic approach to planning by strengthening cross-boundary collaboration, ahead of legislation to introduce mandatory mechanisms for strategic planning.

5 (b). If no, please give details of why you consider this part of the Exeter Plan is unsound. Please be as precise as possible.
