Not all residents wish to walk or cycle; some cannot anyway. There is no coherent proposal for an integrated public transport system as an alternative to car usage. Furthermore, where is the new population of Exeter city centre going to park their vehicles, especially in light of reduced number of pay and display parks proposed?

2.c. Please set out the modification(s) you consider necessary to make this part of the chapter legally compliant, in respect of any legal compliance matters you have identified at 2.b above. You will need to say why each modification will make this part of the chapter legally compliant. It will be helpful if you are able to put forward your suggested revised wording for the relevant policy or paragraph. Please be as precise as possible.

Modifications should be based on 2.b. above. I am not prepared to suggest suitable wording - this is an ECC job.
